RUG & UPHOLSTERY SHAMPOO

Encases Grease & Dirt For Easy Vacuuming

FOR USE ON:
Carpet, Upholstery,
Rugs

DESCRIPTION

This high performance cleaning technology is designed to provide a high-sudsing, soap free, dry-foam, shampoo that cleans, and brightens. This shampoo dries to a crystalline residue, which encases grease and dirt for easy vacuuming.

This product cleans the carpet fibers more thoroughly than any product on the market today. It is most effective on carpets that have been previously treated with a mill-applied fluorochemical stain-resistant treatment.

DIRECTIONS

For Rugs and Carpet: Vacuum carpet thoroughly. On non-resist carpet, spot stain prior to shampooing or foam cleaning. On stain resist carpet, spot stain after cleaning. Dilute product using one part concentrate to 12 parts water (10 oz. per gallon of water) in a rotary machine with a solution tank or a foam machine. Always use a split flag tip brush when using a rotary machine. The dirty solution can be vacuumed up immediately after scrubbing with a wet-dry pick-up vacuum. After the carpet has dried, vacuum. Set pile, if desired, on cut pile carpet. Shampoo with one pass of the machine, first in one direction and then back, overlapping about two inches. After shampooing, rinse the carpet with Rinse & Neutralizer per label instructions.

Upholstery Cleaning: First check for color fastness in inconspicuous area. Use luke warm water, never hot. Use caution to not overwet because of uncertainty of what is beneath the fabric. Dilute product one part concentrate to 12 parts warm water in a bucket, mix vigorously. Use only the suds with a white cloth. This prevents overwetting. After drying, vacuum.

PRODUCT SPECIFICATIONS

Active Ingredients:	22.5 ± 0.5%	Emulsification:	Excellent
Color:	Colorless	Detergency:	Excellent
Odor:	Floral	Rinsability:	Excellent
pH:	7.5 - 8.5	Biodegradability:	Complete
Viscosity:	Slightly viscous	Storage/Stability:	2 years
Foam:	High	Weight per Gallon:	8.48 lbs./gal.
Phosphate Content:	None	Freeze / Thaw Stability:	Keep from freezing
Solubility:	Complete with water
